It was moved Vande Hoef, second by DeBoer to approve April 25, 2023 minutes. All vote aye. Motion carried.

It was discovered that one of the official newspapers did not publish FY 23/24 proposed budget. The county has requested an extension from the Iowa Department of Management. The county will need to republish the notice and hold another public hearing. Jones has talked to Senator Lynn Evans regarding this situation. There were other counties that had the same situation and there is a possibility of the legislation doing a waiver for those counties but not for sure if that will happen. Jones moves to approve May 16th at 9 am as the FY 23/24 proposed budget public hearing date. Second by DeBoer. All vote aye. Motion carried.

It was moved by Vande Hoef, second by Jones authoring the county auditor as the entity administrator for unique entity id due to federal funding requirement. All vote aye. Motion carried.

Osceola County Auditor received a resolution from O'Brien County Board of Supervisors as Trustees for drainage district 5 assessing property owners in that ditch. There are few Osceola County property owners in that district that will need to be assessed. After doing some checking into things there were some questions that the auditor's office needs some guidance on how to proceed. Vande Hoef moves to obtain the Engineer's reports, recognize and identify Bolton and Menk as the Engineers for the project and authorize the use of outside counsel to identify proper steps for Osceola County. Second by Jones. All vote aye. Motion carried.

It was moved by DeBoer, second by Vande Hoef to adjourn the meeting.
